

# Varied Fluency

## Step 1: Different Types of Verbs

### National Curriculum Objectives:

Terminology for pupils:

English Year 2: (2G1.2) [verb](#)

### Differentiation:

**Developing** Questions to support recognising action verbs in statement sentences.

**Expected** Questions to support recognising all three types of verbs (action, 'to be', linking) in statement sentences which use conjunctions such as: so, and, but, for, when, that, if and because. More than one verb will be used in multi-clause sentences.

**Greater Depth** Questions to support recognising multiple use of all three types of verbs (action, 'to be', linking) in a variety of sentence types where the verb is not always identified. For example, 'Wash your hands because we are going to bake a cake.'
