Various answers, for example:

Yesterday, we had a day at the seaside. It was a very sunny day. As soon as we got to the beach, Mum put on her sunglasses and laid down on a towel to sunbathe.

First, I built a sandcastle. Then, I went for a walk along the beach. I saw some starfish and I collected some seashells. My sister had a go on her surfboard and she said it was lots of fun. Above me, I could hear seagulls and in the distance, I could see a lighthouse. We had a great day at the beach.
