v

w

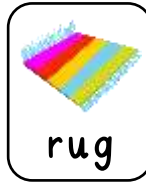

y

x

z

VF

5. George has sorted picture cards into alphabetical order.

Is George correct? Explain how you know.

R

3. Write the words below in alphabetical order.

mouth

noise

lake

kite

jump

VF

6. Tiana's spelling list is in alphabetical order. The splats are hiding one word.

nose, open, , queen, rat

What could the hidden word be? Give one example.

A

Consolidating the Alphabet

1. e, f, g, h, i
2. x, y
3. jump, kite, lake, mouth, noise
4. Various answers, for example: bang, catch, dinner, enjoy
5. George is incorrect. In the alphabet, the letters are ordered 'r, s, t, u', not 'r, s, u, t'. George needs to swap the 'units' and the 'table' picture cards.
6. Various answers (which must start with the letter 'p'), for example: pet, push, pepper
