

# Add by Counting On

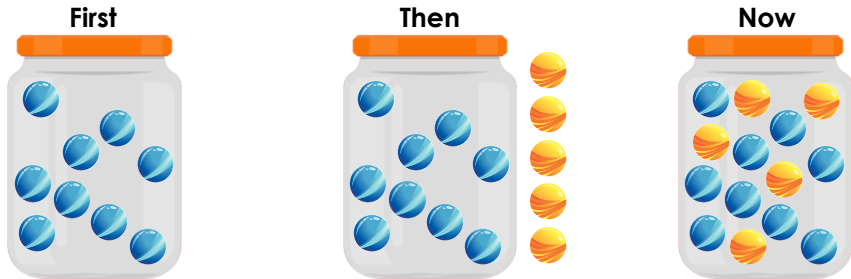

Complete the number sentences.

**First** **Then** **Now**

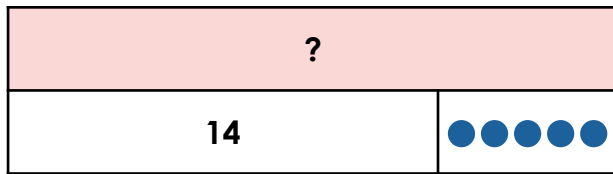

12 +  =

**First** **Then** **Now**

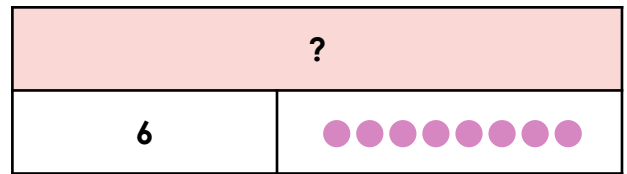

9 +  =

Use the bar models to complete the number sentences.

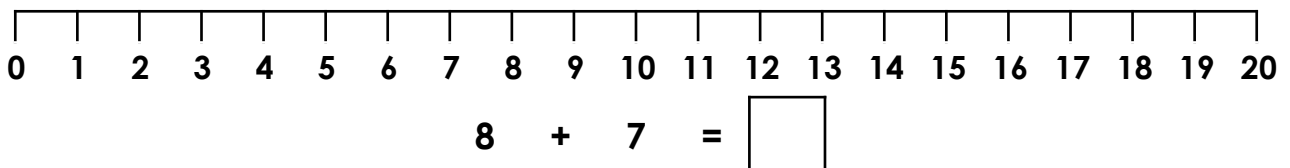

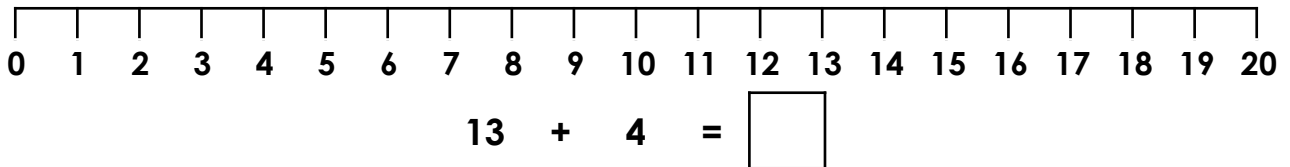

$$14 + \boxed{\phantom{00}} = \boxed{\phantom{00}}$$

$$6 + \boxed{\phantom{00}} = \boxed{\phantom{00}}$$

Use the number line to complete the number sentences below.

# Add by Counting On

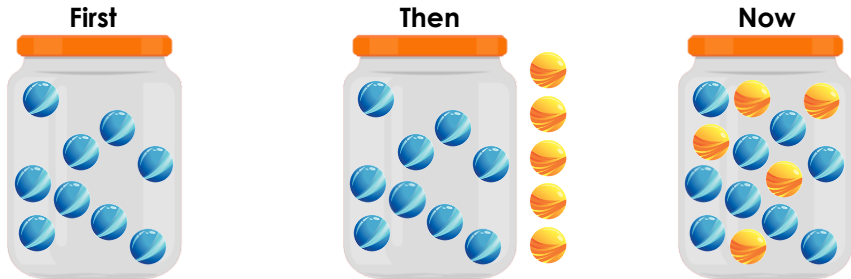

Complete the number sentences.

**First** **Then** **Now**

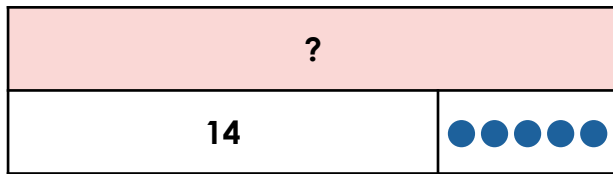

$$12 + 6 = 18$$

**First** **Then** **Now**

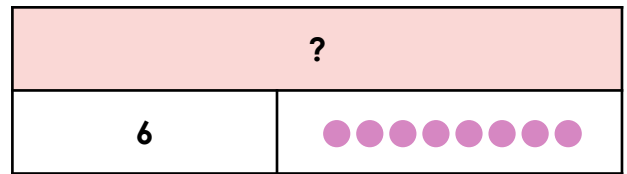

$$9 + 5 = 14$$

Use the bar models to complete the number sentences.

$$14 + 5 = 19$$

$$6 + 8 = 14$$

Use the number line to complete the number sentences below.
