

## 3D Shapes – Prior Learning

### Advice and ideas

#### Maths

Provide children with a feely bag containing a variety of 2D shapes and some 2D shape name cards.

Encourage children to choose a card and then find that 2D shape in the feely bag.

#### Tuff Tray

Provide children with a variety of 2D shapes, 2D shape name cards and some lolly sticks. Encourage children to choose a shape and its matching name card, then make that shape with the lolly sticks.
