

## Sorting Objects – Prior Learning

### Advice and ideas

#### Maths

Provide a variety of 2D shapes. Ask children to sort them into groups. Encourage children to discuss how they have grouped them, talking about the different properties.

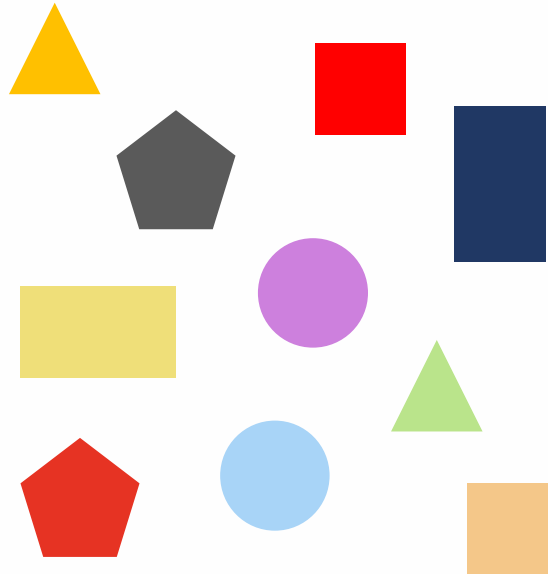

#### Construction

Encourage children to explain how they have sorted their blocks. Can they build a tower with the blocks in their different groups? How are the towers the same/different?

### Maths

## Sort the 2D shapes.

### Construction

## Sort the blocks.
